**THE Presbyters Lagniappe**

To the wonderful members of the clergy of Section 2, greetings in the Name of our Lord Jesus Christ.

I hope this busy summer finds you enjoying God's many blessings! There were three youth camps in Tioga during the month of June, and hundreds of young people received the baptism of the Holy Ghost. We received many good reports from these meetings. We trust that these new young saints prove to be a blessing to your churches.

Camp meeting was very good this year, as usual. Every year we all say, 'It can't get any better', but it always does. This year's meeting was at the very top of the list. It was a blessing to see you there, and I enjoyed visiting with those of you that I encountered. It is always a pleasure to fellowship with men of like precious faith. Iron sharpeneth iron.

Albany United Pentecostal Church has elected a new pastor. Brother Tommy Russell was elected pastor to the church three weeks ago. Their installation service will be held on Friday, August 24, at 7 pm. Please be at this service, if possible, to support the Russells in this exciting new endeavor. They covet our prayers in the days ahead as they seek God for revival in Albany.

Section 2 wants to thank Brother and Sister Arbuckle for their service to the Albany church and to this section over the years.

We wish them well in their new church, the Pentecostals of Saint Joseph, in Saint Joseph, MO. May God richly bless their family as they labor for revival in this new field of labor.

Several meetings are scheduled for our section in the coming months. The Section 2 Fall Rally will be held on October 26 & 27 (Friday and Saturday) at the First Pentecostal Church of Denham Springs, LA. Reverend James Lumpkin will be ministering in these meetings. He will preach Friday night, and conduct a split-session seminar on Saturday, assisted by Sister Lumpkin. She will speak with the wives on Saturday, while Brother Lumpkin speaks to the men. This rally will take the place of the fall sectional banquet. Make plans to attend. You and your wife will be blessed.

Our Section 2 website is up and running at [www.section2upc.com](http://www.section2upc.com). Please visit the web page often, as information will be updated on a regular basis that will impact your ministry. Let's stay on the cutting edge!

Several seminars and training sessions on church growth are planned for the near future. These sessions will assist our pastors in achieving the apostolic revival that is promised for these last days. Please pray for all churches in our fellowship as we work together in tandem to achieve our goals. Watch the website for information concerning these exciting events on the horizon!

**Rev. W.R. Johnson, Sr.**  
*Presbyter, Section 2*

We are asking that each of our Section 2 department heads prepare an article for upcoming newsletters. We want to hear about future plans you may have for your department's growth and success. You may also address any needs that you may have in your area of ministry.

Again, thank you for the opportunity to serve as your Presbyter in Section 2. Let's pray that we may be bound together in one mind and one accord with Christ Jesus, as we fervently seek God's will for the future of our churches and our ministries. If I may be of service to you in any capacity, please allow me that privilege.

Respectfully yours,

Reverend W. R. Johnson, Sr.  
 Presbyter

Let's pray that we may be bound together in *one* mind and *one* accord with Christ Jesus, as we fervently seek *God's will* for the future of our churches and our ministries.

Miracles often come in work clothes! (T.F. Tenney)  
 As we embark on the second anniversary of recovery efforts from 'The Flood', we here in Section 2 celebrate the many churches and pastors who have led their congregations through the most difficult of circumstances. Additionally, Bro. Melancon is deserving of our collective praise as he led us with compassion, and by example, through the 'stagnant waters' of recovery. I think there are many miracles resident within Section 2, that have yet to see the light of day. Cliché, maybe, but when we work together, God always exceeds expectations.

At Pentecostals of Ascension, we near completion of our Sunday school rooms, office, and family areas; encompassing nearly half of our facility. Our 'rebuild' has been steady and methodical, but in each step, God has placed the miraculous before us. Miracles of supply. Miracles of spirit. Miracles of salvation. But chiefly, the great miracle of unity. This unity has permeated every facet of our church life; work days, outreach, giving, retention, worship, altar ministry, bible studies, and even in our separation. God has truly prospered us and grown us. The gift of unity has brought another lofty goal; we have been able to accomplish all of our rebuilding efforts without any indebtedness! What a learning curve this pastor has been on; how God's economy is not the economy of men and how God's church is truly His Church. He paid that price once and for all [Heb 9:11 – 12:28].

May a fresh miracle of unity encompass all of our churches in Section 2 and our Louisiana District.

*The Normal Church (Mark Winters)*

*The Evangelist's Corner*

Some time ago, in prayer, I told the Lord, "God, I am tired of normal church." In response, the Lord said to me, "When I walked the earth, I healed entire cities and villages. Everywhere I went, the miraculous was inevitable, except where there was unbelief. In the New Testament church, it was normal to see the sick healed, the bound delivered, miracles, signs, wonders and people receiving the Holy Ghost while the Word was being preached. That was normal church. What's not normal church is for My presence to be there and nothing happen."

The works and demonstration of the Spirit should not be an exception in an Apostolic service; rather, it should be quite normal. So, the next time you step into the pulpit and begin preaching the Word, expect God to confirm the Word. Expect the Holy Ghost to fall. Expect miracles to happen. It's what the Lord promised. That's normal church! Don't be astonished when God does it. Be astonished if He doesn't do it. It's what He does. It's Who He is. It's who we are. Now, let's go have normal church!
